Welcome Reception Day 1

We first met on August 28, 2024, for a Welcome Reception of the Fall 2024 Leadership Forum at the Center for Houston's Future offices. Russell Richard, the Center's SVP of Leadership Initiatives, Alumni Engagement, & Community Outreach, welcomed the class and thanked everyone for their participation. Cindy Yeilding, Board Chair, and Brett Perlman, former President & CEO, informed us about

Day 2: Galveston

On Thursday September 5, we kicked off the forum at the Tremont House in Galveston, with dinner, introductions, and a history lesson on Houston.

Understanding the Houston Region

After dinner, Russell Richard, the Center's SVP of Leadership Initiatives, Alumni Engagement, & Community Outreach, took us on a journey through the Houston region's development from the bold and improbable founding of Houston by the Allen brothers in 1836 to the current day as the fourth largest and most culturally diverse metropolitan area in the nation. Russell, guided the discussion and together we examined the role civic leadership has played in the growth and success of the region, and noted the patterns, values and guiding principles that are in evidence throughout our history.
